

## Jeneer Smart Pump Technology

### Auto Bump for Mechanical Style Pumps:

- ✓ Automatically re-starts your stalled pump if it has not cycled within the specified time
- ✓ Displays accurate cycle counts and gallons pumped
- ✓ Displays the number of bumps and the cycles after each bump
- ✓ Your 24/7 assistant to keep you pumping

### LED Cycle Counter for Mechanical Style Pumps:

- ✓ Provides accurate cycle counts
- ✓ Automatically calculates gallons pumped
- ✓ Bright LED display
- ✓ Keeps Regulator out of the elements

### Jeneer Data Collection APP:

- ✓ Wirelessly transmits pump data to your device
- ✓ Download data to Excel or CVS file

*Put the Jeneer Smart Pump to work on your site and start seeing your maintenance costs Decrease and your leachate recovery Increase.*

## Testimonials

*"We started using the Jeneer Auto bump and these have kept our pumps going and we have seen increased leachate recovery."*

Jackson Y.

*"I have high head pressure on one side of the hill causing my pumps to stall. So every morning one of us has to go around and re-start the pumps"*

Harold M.
